

IN THIS ISSUE:

Get Early Entrance to Your Favorite Shows at Gexa Energy Pavilion Dallas!

If you are attending a concert at Gexa Energy Pavilion in Dallas, you can get in the fast lane! Here is how it works:

Bring a copy of your Gexa Energy bill to the Heineken Lounge at Gexa Energy Pavilion.

Get early access to the show before the doors open to the public.

Early entry is good for up to 4 people.

Note: This pass is valid for early admission only, and does not replace a concert ticket for admission into the venue.

10 Energy Savings Tips for Summer Driving Trips

According to The Alliance To Save Energy, the average U.S. household will spend \$3,300 on transportation energy costs this year. Proper

vehicle maintenance and smart driving can help keep more of that money in your pocket. Read these tips at [earthtechling.com](#).

Energy-Efficient Window Treatments

You can choose window treatments or coverings not only for decoration but also for saving energy. Some carefully

selected window treatments can reduce heat loss in the winter and heat gain in the summer. Window treatments can also be aesthetic additions to your home. Learn more at [Energy.gov](#).

Watch Gexa Energy President Brian Landrum talk about our community involvement on KHOU's **Great Day Houston**.
