Earth Hour

Earth Hour, a lights-off event that started in Sydney, Australia, in 2007 to raise awareness about climate change, has grown into a global movement. More than 7000 cities and towns in 162 countries and territories participate. The lights went off on March 28 at 8:30 p.m. in each time zone around the world and remained off for 60 minutes. [Read more...](#)

Spring Cleaning

Warmer weather is just around the corner. As you start freshening up your house in the waning days of winter and preparing for the longer days ahead, include these no-cost and low-cost energy-saving ideas in your spring cleaning. Higher temperatures don't have to mean higher energy bills. [Read more...](#)
